SUMMARY

Full-stack developer with a background in psychology and healthcare. Currently searching for an entry/junior developer position with a company that can provide a positive and supportive environment as I begin my career in web development. What I lack in real-world development experience I make up for in work ethic, quickness to learn, and desire to succeed.

TECHNICAL SKILLS

Frontend: HTML, CSS, Bootstrap, Handlebars, Bulma

Backend: Javascript, MongoDB, ExpressJS, ReactJS, Node, MySQL, AWS

PROJECTS

Build-a-Cocktail | <https://github.com/tassoni13/build-a-cocktail> |

<https://danshoup.github.io/build-a-cocktail/>

- A static web page application that allows a user to choose a type of alcohol and view many different cocktails and their recipes made with that liquor. Also allows users to view bars in their area and display their contact information.
- Assisted with front end design and presentation
- Javascript, CSS,

ToDieInAustralia | <https://github.com/tassoni13/todieinaustralia> |

<https://todieinaustralia.herokuapp.com/>

- An ExpressJS app that works as a social media page for users to post and share their fears of the many things that could kill them in Australia.
- Assisted with front end design and presentation
- NodeJS, ExpressJS, MySQL, Handlebars, and AWS

EXPERIENCE

Health Unit Coordinator

2018 – Present

Mercy Health Saint Mary's

Grand Rapids, MI

Duties included answering and directing calls, completing medical and legal documentation, ordering and keeping stock of medical and office supplies, coordinating meetings between

patients and legal personnel, communicating between other hospital units, greeting and checking in new patients and visitors, keeping detailed records of important patient information while maintaining standards of privacy and professionalism.

Key Accomplishments:

- Recognized by management and peers for outstanding work ethic, maintaining a positive attitude, and being a team player.

Psychiatric Technician 2015 – Present

Mercy Health Saint Mary's Grand Rapids, MI

Worked as a nurse aide on a psychiatric medical unit caring for patients suffering with both mental illness and medical issues. Duties included helping patients with basic needs and daily care, keeping detailed charting of patients status and information relevant to their care, providing a therapeutic environment for our patients and their visitors by maintaining patient safety and satisfaction.

Key Accomplishments:

- Received "Friend of Nursing Award" for exceptional patient care in 2020.

EDUCATION

Bootcamp Certificate: Michigan State University, East Lansing, MI

A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Node Js, MySQL, MongoDB, ExpressJS, Handelbars.js & ReactJS.

Bachelors of Science in Psychology: Michigan State University, East Lansing, MI
